

Dear Families,

November is upon us! As we take a deep breath of the crisp air and settle into the month, we are reminded of how grateful we are. We are grateful for our Little Angels community and wanted to take this moment to thank you for being a part of it.

Last month we began our Enrichment Program for our preschoolers. Each month is dedicated to a theme and our related service providers develop and implement a push-in lesson to address skills related to speech, occupational and physical therapies.

October was Fire Prevention Month. Each child was provided a wooden fire truck, compliments of Home Depot. Miss Sam our speech therapist, worked with each class on "wh" questions. Dr. Casey worked on balance and coordination skills while Miss Denise worked on fine motor skills through crafts and coloring.

The team will incorporate Veterans Day, turkeys, autumn leaves and friendsgiving into their lessons during the month of November. We can't wait to see what the children create!!

HAPPY THANKSGIVING!

## Connections Corner

•There are many benefits to reading with your children. Cultivating a lifelong love of reading is just one of them. We encourage you to read with your child every day. Even audio books are great to listen to while in the car. Here are a few resources to help you along the way!
